Confirmation Sunday

Today we celebrate with students who are confirming their faith in God, received from the Holy Spirit. They have completed a two year study program that involves monthly gatherings with students, pastor, and parents, weekly studies done at home, and daily journals. We believe faith is nurtured best among the family. Our goal is to equip parents to work with their children to learn and grow in their faith. At the end of Confirmation, we want the students to understand and be able to articulate the Christian faith and what it means to them.
